Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Saturday 20 Nov 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Largely mild and cloudy.

Today:
A cloudy start to Saturday. Brief bright intervals developing in the afternoon, but further cloud and rain arrive in the north around dusk. Turning breezier but remaining largely mild. Maximum temperature 12 deg C (54 deg F).

Tonight:
Rain pushes south through the evening, turning patchier as it does. Skies clearing behind this and winds becoming northerly, allowing it to turn colder in the early hours. Minimum temperature 3 deg C (37 deg F).

Sunday:
Following a chilly start, a good deal of sunny intervals present on Sunday. Staying largely dry though an isolated shower may feed into the east. Feeling noticeably colder. Maximum temperature 8 deg C (46 deg F).

Outlook for Monday to Wednesday:
A cold start on Monday but staying dry with sunny intervals. Somewhat cloudier on Tuesday, with temperatures rising a touch closer to average, and risk of rain later on Wednesday.
